PPIE

PLEASANTON PARTNERSHIPS *in* EDUCATION FOUNDATION

Annual Giving Fund Campaign 2018-2019

Staffing & Technology Support for our Students

PPIE supports ALL students at ALL Pleasanton schools in a unique way – with critical school staffing! No other non-profit funds staff for all our schools. PPIE works closely with school parent clubs (PTA/PTSA and PFC), school leaders (principals and teachers), and PUSD leadership to ensure 100% of your funding goes directly to our schools and students.

With your support, we can fund the following at EVERY school – with actual positions determined by YOUR school.

- Elementary: library assistant, site tech specialist, intervention specialist, counselor
- Middle: library assistant, site tech specialist, new class sections for smaller class sizes
- High: new class sections, counselors, library assistant, site tech specialist

$500 per student is the suggested donation — every amount is welcome! Monthly payment plans are available via ppie.org/donate.

We also welcome volunteers! Contact us to join a vibrant network of committed families!

Join our PPIE Family Honor Levels and Get the Following Recognition

(based on total family contribution — includes company matching funds)
