PPIE

PLEASANTON PARTNERSHIPS *in* EDUCATION FOUNDATION

Annual Giving Fund Campaign 2017-2018
Technology & Student Support

PPIE is the 501(c)3 non-profit education foundation supporting all Pleasanton students, helping maintain high quality education by raising funds for critical programs and services. Thanks to the generosity of our community, PPIE has provided the funding for instructional coaches (in the areas of technology, early literacy and math), technology needs to all schools, technology specialists and smaller class sizes over recent years.

California ranks among the lowest states in the nation for per-pupil funding, with the funding decreasing each year between 2008 and 2013. Current funding is less than it was in 2008. Most high quality districts in the Bay Area fill this gap with parcel taxes and/or supplemental community funding at an average donation of $1,000 per student.

Since Pleasanton does not have a parcel tax, our foundation relies on donations from the community to maintain high quality education and to provide state-of-the-art resources. PPIE's suggested donation amount is $350 per student, or any amount that is meaningful to your family.

Annual Giving Fund - *$350 per student is the suggested donation*

Your donation to the Annual Giving Fund will benefit not only your student but all students in all Pleasanton schools. Many employers will match charitable contributions, doubling your impact. Go to ppie.org/corporate-matching to see if your company will match your contribution. You may make a donation or set up monthly donations to the Giving Fund at ppie.org/donate.

SPONSORSHIP LEVELS

$1,500+ ..... Highest Honors*
