

Because of PPIE

Pleasanton *Partnerships* in Education 2018-2019 Annual Report

Message of Gratitude

Thank you for your generous support this past year. Thanks to you, PPIE had another record-setting year, with \$711,000 in donations to fund key staff, STEAM grants and programs to support over 15,000 students at all 15 Pleasanton schools.

We did this through the amazing support of families, corporate sponsors, teachers and school staff. A key factor was a large increase in family participation to 23%, which means more families (with corporate matching!) are funding librarians, student intervention specialists, support counselors and more to enrich all our students.

Now, imagine if 50% of families could give, even just \$1 a day (\$180/year) or more? We could fund more classroom aides and enrichment, more student counseling and special needs, and more STEAM programs to prepare students for meaningful 21st century careers. Our annual report highlights the significant impact PPIE is already making with your collective support.

Thank you! It takes a community to raise a student!

FAQs

- Who?** For over 30 years, PPIE (Pleasanton Partnerships in Education Foundation) has been the only foundation serving all 15 Pleasanton public schools and all 15,000+ student.
- Why?** Despite improvements, California is still below average in school funding, which means organizations like PPIE must fill the gap to sustain our A+ schools. PPIE funding keeps school libraries open longer, provides targeted reading and math support for students, and more – please see our Annual Report for highlights.
- What?** PPIE partners with all parent clubs (PTA, PTSA, PFC) to create a great classroom experience. PPIE primarily funds supplemental STAFF; parent clubs primarily fund STUFF (materials, activities and more) – together, all funds go to supporting our students.
- How?** PPIE asks parents and teachers to VOTE on what PPIE should fund at each school – **visit www.ppie.org to vote**. Then we leverage parent donations with corporate matching, grants and sponsorships so that each school receives MORE in funding than they donate. Finally, we work with PUSD leadership to specify funding each year based on your priorities.

Two Great Celebrations

PPIE celebrates community with two fun events each year:

Fall Gala
October 11, 2019 6-10 pm
Castlewood Country Club

Our Night of the Stars Fall Gala brings 300 friends together school with principals and district and city leaders for a wonderful evening.

Pleasanton Run for Education
April 19, 2020 7:45-10 am
Alameda County Fairgrounds

Our annual Run for Education brings 3,000 participants for a carnival atmosphere for all ages, including Oakland A's mascot Stomper who runs with 100s of children in the Kid's Challenge.

The 2019 Run for Education raised a record amount of money for the Pleasanton schools and students.

Last year, we raised \$75,000 net and \$115,000 net, respectively – 100% of which goes to support PPIE programs and school funding. Special thanks to our amazing corporate sponsors and wonderful volunteers for making this all possible. Thank you – and we hope to see you again in 2019-20!

Thanks to our business supporters:

Businesses Love PPIE

Our area businesses are critical to supporting our A+ schools. From direct donations and matching funds to event sponsorships, employee volunteers, summer internships and more, businesses enable our students to succeed.

We thank them all!

To show our appreciation, PPIE is launching the Pillars of Pleasanton campaign to highlight their contributions via PPIE, PTA/PTSA/PFC, Athletic and Band Boosters and other organizations. Be sure to look for our Pillars of Pleasanton images around town.

Over \$700,000 in Giving from Your Generosity

With great community support, PPIE funded a broad range of key supplemental staff, STEAM grants to students and teachers, and special programs. We work closely with PTA/PTSA/PFC (which funds STUFF like class materials and activities) to create A+ classrooms.
