

2024 SPONSORSHIP OPPORTUNITIES

Please join us in supporting Pleasanton K-12 public schools
12th Annual Pleasanton Run for Education

PLEASANTON RUN FOR EDUCATION

The Pleasanton Run for Education is a community-oriented event, established in 2013 by the Pleasanton Partnerships in Education Foundation (PPIE).

PPIE is a nonprofit dedicated to supporting Pleasanton public schools. For over 30 years, PPIE has enhanced education through a vibrant partnership of business, education and community.

The goal of the **Run for Education** is to raise money for Pleasanton schools while also encouraging a health-oriented, community-building activity.

PPIE Mission Statement

Pleasanton Partnerships in Education Foundation, a community-based organization, exists to enhance learning experiences for students of the Pleasanton Unified School District through a partnership of business, education and the community.

PPIE Vision

It takes a community to grow strong schools and raise leaders of the future. By providing critical staffing support and grants at all Pleasanton schools, PPIE's vision is to enable teachers and students to innovate, excel and serve to the best of their abilities both in the classroom and in the broader community.

History of PPIE

PPIE was founded in 1987 as a 501(c)3 nonprofit organization and, in 1988, added a grant making program to become a Foundation.

PPIE serves nearly 14,000 students annually and supports over 800 teachers and administrators. Over the years, PPIE has issued \$1 million in teacher and student grants for innovative STEAM

projects. The Foundation has also raised over \$8 million for targeted technology and critical staff, including librarians, school site IT specialists, counselors, intervention specialists, and supplemental teachers for class size reduction.

Since the 2008 economic crisis, two matters have further cut State government funding to Pleasanton: 1) In 2013, the State enacted the Local Control Funding Formula (LCFF), which allocates more funds to low income schools and less to wealthier districts like Pleasanton, and 2) in 2015, the State mandated that local school districts contribute a greater share toward teacher and other staff pensions. The result is that PUSD schools need community support more than ever to maintain high quality schools.

Run for Education History

The Run for Education is the Foundation's signature community event with over 3,000 annual participants. It has raised well over \$1,000,000 since inception. The 12th Annual event is scheduled for Sunday, April 28, 2024, and will feature 5K, 10K and 2 Mile races. Your support of the event, whether by sponsorship, partnership, volunteering, or as a race day participant, will benefit 14,000 students and over 9,000 Pleasanton families!

A COMMUNITY-ORIENTED EVENT

ORGANIZED BY PLEASANTON PARTNERSHIPS IN EDUCATION (PPIE)

WHO

Community members, businesses, educators, parents, and students who are invested in helping improve the community in which they live and work.

WHAT

5K (3.1 Mile)
10K (6.2 Mile)

WHERE

Pleasanton, CA

WHEN

Sunday, April 28, 2024
7:30 a.m. - 11:30 a.m.

WHY

Raise money for Pleasanton public schools and fund much needed programs, grants, and equipment needs

PPIE DOLLARS

& THEIR IMPACT IN THE SCHOOLS

GRANT PROGRAM

Student Grants. PPIE provides grants up to \$500 for student projects or special events that support student achievement in all areas that extends learning beyond the classroom. Our students are amazing and we love to see how they want to give back to their community through art, teaching, coaching, and inspiring others.

Inspire Grants. PPIE provides grants up to \$3,000 to Pleasanton Unified School District (PUSD) employees to fund innovative projects that are student focused, promote creative thinking, and offer expanded opportunities for learning.

High School Competition Grants. Grants to support our nationally-ranked DECA and We the People programs at both high schools.

INTERVENTION SPECIALIST PROGRAMS

Helps students who need additional or advanced help with Math and English, as well as helps teachers deliver differentiated learning for these students

WELLNESS PROGRAMMING Supports a comprehensive district-wide program to address rising stress and anxiety in our schools. Currently, PPIE supports a wellness center and staff at each high school, as well as one middle school serving over 4000 students per year. We look to expand to all middle schools in the near future.

LIBRARY SPECIALISTS Elementary and Middle School librarians are using PPIE funding to keep libraries open all day to support our students, allowing them full time access and a safe place to go during the school day.

VILLAGE HIGH SCHOOL Targeted support provided to the students and staff at Village High School.

BUSES FOR ELEMENTARY SCHOOL OUTDOOR EDUCATION Buses provided by Black Tie Transportation enable our 5th-grade students to have safe and reliable transportation to participate in this transformative program.

OTHER WAYS TO BECOME INVOLVED

SPONSOR A TEAM

Sponsoring your employees to participate in the event and support the cause could be just what the doctor ordered. This option is also available for running clubs, churches, sports teams, etc. who plan to have a large number of members participate. This is a perfect event to use for team-building, morale, and encouragement of healthy lifestyles; all of which are generally regarded as important to overall happiness and productivity.

Groups and companies with more than 40 anticipated participants can stack multiple levels together; for example, two senior level sponsorships to accommodate 80 participants.

Teams with ten or more participants are invited to host a hospitality booth in our team area, which can be used as a pre- and post-race meeting place.

Please note: Company/team hospitality space is located separately from the vendor expo and not open to the general public.

COMPANY TEAM SPONSORSHIP

SENIOR LEVEL\$2000

- 40 complimentary race entries
- Complimentary 20'x20' hospitality space in the post-race area. (Tent/table not included)
- Company/group name announced at the event as a PPIE supporter

JUNIOR LEVEL\$1000

- 20 complimentary race entries
- Complimentary 20'x20' hospitality space in the post-race area. (Tent/table not included)
- Company/group name announced at the event as a PPIE supporter

SOPHOMORE LEVEL\$500

- 10 complimentary race entries
- Complimentary 10'x10' hospitality space in the post-race area. (Tent/table not included)
- Company/group name announced at the event as a PPIE supporter

FRESHMEN LEVEL.....\$250

- 5 complimentary race entries

VOLUNTEER ON EVENT DAY

Your company may prefer to get involved in the event and support the cause by staffing a water station on the course, helping direct athletes as they run or walk, or assisting with race registration on the day of the event.
