

ANNUAL REPORT 2019 / 2020

A Crazy, Successful Year

Message from PPIE

What an amazing year! Normalcy seems so far away, but we are immensely proud of how our teachers, staff and families rose to the challenge of Shelter in Place. Our school district led the way in distance learning with teachers and families working hard to ensure that our students have the greatest learning opportunities possible. Schools led neighborhood parades to keep morale high and parents led their children through a challenging world. Our community was truly in this together! PPIE did our part as well—shifting our annual Run for Education to a Virtual Race for everyone, going virtual with Zoom-based programs for students, supporting our Pillars of Pleasanton business supporters, and ultimately donating another record amount of \$725,000 to the school district to help sustain the staff and programs that make our schools so special. Now comes another challenge as we face economic hardship and cuts from the State education budget. Let's Stay in this Together by doing what we can to support our schools - from volunteering when we can to donating what we can to encouraging teachers and staff whenever possible. We will succeed once again. Thank you for your tremendous support!

Steve McCoy-Thompson

PPIE transformed our annual Mock Interview session with DECA students and business professionals into a successful virtual event with 120 interviews over 3 days. We plan more virtual student-business engagements in the future!

Our 12th Annual Fall Gala was a great success, gathering 300 guests to hear student musical performances, learn about our new student wellness program for the entire school district, and to celebrate our community and schools.

On the cover, pictured from clockwise top left:

Elementary students love the **additional library hours**, funded by PPIE, which keep libraries open during lunch and recess.

Foothill High School students, wearing masks, return home after picking up their cap and gown.

PPIE presents checks for innovative **STEAM projects** to all students, including these from Amador Valley High School.

Students engage in STEM projects that are made possible with our **INSPIRE grants**.

Annual Report

photos: Chuck Deckert, Patrick Gannon, Y. Andrew Sun and many others.

design: Janet Grell

**These are unaudited financials: audited PPIE financial statement is available at www.ppie.org.*

***Additional \$12,000 to pay for Future Fund on behalf of PUSD schools.*
