Message from PPIE

From Resilience to Strength Last year, we endured. We showed tremendous courage in the face of adversity. And we showed resilience – adapting and pivoting to support our students, care for our families and connect our communities. Thank you! PPIE showed resilience as well. We went all-in virtual – virtual Gala and Run, virtual State of the School District lunch and Pillars of Pleasanton Awards, diverse grants for distance learning and Back to Campus, and virtual programs for students like Speed Interviews and Wellness Wednesdays. We also added new programs that arose from these virtual ‘opportunities.’ Please read our Annual Report to see what we did – and we did a lot! At the same time, PPIE faced struggles as well. Overall revenue was 85% of last year – great by many standards, but it was hard to sustain staffing commitments to our schools (read inside to see what we fund). Luckily, PUSD helped to fill the gap with *one-time* State funding. This was very helpful, but it won’t last. This means that this year, more than ever, we seek the support of ALL our families to help us fund vital, supplemental staff: reading and math support for elementary and middle school, wellness and support counselors for middle and high school, and librarians and tech specialists at all levels. Please help us come back to campus even stronger. Consider volunteering and donating (we have a new Leadership Circle for top donors!) to PPIE and our parent clubs to support our schools. Together, we can build on our resilience to make our schools even better!

Steve McCoy-Thompson
Executive Director, PPIE

Kelly French
President, PPIE Board of Directors

With the technology support, I have been able to better demonstrate and model math solutions for my students. Their attention, understanding and overall learning has been enhanced by this donation.

- Margaret Ng, Hearst Elementary
Back to Campus Grant Recipient

THANK YOU for your support this year, and every year. We are so grateful for your generous grant, which will allow our students to access a vital program that is allowing us to keep making music this year, even from a great distance.

We appreciate your continued support as we continue to pursue team-building, collaboration, and music-making!

-Katrina Brekke
Director of Choral Music
Foothill High School

My kindergarten students are so happy to receive your generous donations for new, Fresh Air Break activities. Since the return to the classroom in March, our recess time has changed. Now they are so happy to have something new and different, that also challenges their hand-eye coordination.

Thank you for supporting our class in the return of in-person learning!

- Becky Franck
Kindergarten, Walnut Grove

It was a joy to see that PPIE and Chevron have partnered to support teachers like myself during the difficult transition into concurrent teaching. My science classroom is now ready for my roomies (in person) and zoomies (remote learners) to learn about the atoms.

- Monica Dennis
7th Grade Science, Hart

**These are unaudited financials: audited PPIE financial statement is available at www.ppie.org.*

***Additional \$12,000 to pay for Future Fund on behalf of PUSD schools.*

\$776,000

PPIE donated funds for key supplemental staff, programs, STEAM grants and the We Are Pleasanton campaign – thanks to our school families and local businesses!

By going virtual for our annual Fall Gala, Run for Education and other events, PPIE reached more people than ever – with plans to be in-person and virtual this year!

3,000 people

connected through PPIE events

24,248

extra staff hours

PPIE funding supported more staff hours for reading/math intervention at all levels, support counselors and a district ‘Wellness Director’ position, librarians, tech support and more!

327 Pillars of Pleasanton businesses supported our schools with funding, volunteerism, gifts and more!

BUSINESSES SUPPORTING STUDENTS

PPIE enabled business volunteers to serve as class speakers, after school club mentors and more for student career learning and exploration

450 Business-Student Engagements

24%

If we can raise family donor participation to 50%, at any amount, we can more than double PPIE support for counselors, after school programs and more to sustain our A+ schools!
